This year FZY is celebrating its 100th Anniversary.

Over the last 100 years FZY has taken great pride in improving the connection between countless young people, their Judaism and Israel.

We believe that the UK's largest and oldest Jewish youth movement turning 100 should be a cause of celebration for all of FZY's partners, friends and indeed the entire UK Jewish community.

FZY has also taken great pride in the fact that, via the provision of bursaries, we never turn a participant away from a programme for financial reasons. Despite the current economic uncertainties, we are still encouraging families to apply for a bursary or financial assistance if they can not afford to participate on a programme without one. FZY believes that every child should have the opportunity to experience Israel, be that for a month at 16 or ten months at 18, but the demand on our bursary fund is at an all time high.

FZY together with FFZY (Friends of FZY) are organising a massive FZY 100 reunion in March, with the goal of bringing together over 500 current and former FZY members from across the generations. The reunion is on March 7th 2010 and we are planning a large sponsored brochure (approx 3000 copies A4 size) which we hope will generate donations to replenish our bursary fund.
