4. Medical Information and Procedures

- 4.1 Fully completing and submitting all questions relating to Medical Information on the Application Form is an integral part of the application process. No Applicant will be accepted by FZY without the submission of the fully completed Health Form.

- 4.2.1 they have read and understood the questions relating to Medical Information and has answered them honestly, completely and accurately;
- 4.2.2 all relevant information (including pre-existing medical conditions) has been fully disclosed and includes appropriate detail;
- 4.2.3 that any failure to disclose Medical Information or the disclosure of inaccurate or misleading Medical Information will be grounds for rejection or dismissal from the Programme;
- 4.2.4 if there is any change to the Participant's medical and/or psychological condition/s, the Participant shall notify FZY in writing immediately;
- 4.2.5 if any medical information is disclosed after the Application Form Deadline and subsequently the Applicant is rejected from the Programme in light of the new information, the Cancellation Policy will apply; and
- 4.2.6 if a pre-existing medical condition is disclosed before the Application Form Deadline and the pre-existing condition worsens to a level whereby the Participant is unable to go on the Programme, the Cancellation Policy will apply and it will be the responsibility of the Participant to claim reimbursement from their own pre-existing medical and/or travel insurance policy.

4.3 FZY reserves the right to:

- 4.3.1 forward any forms to an independent medical practitioner and/or an insurer and/or legal advisor for their professional opinion;
- 4.3.2 request additional information from a GP, counsellor, school, specialist doctor or other relevant medical professionals regarding disclosed Medical Information;
- 4.3.3 request that doctors liaising with the Participant at the Summer Camp contact your doctors directly if points of clarification are required;
- 4.3.4 request that the Applicant undergoes an examination by an independent medical practitioner retained by FZY but at the Applicant's expense;
- 4.3.5 request that you obtain your own insurance and sign disclaimers if the NHS refuses to cover certain pre-existing conditions;
- 4.3.6 reject an Applicant on medical or welfare grounds based on the recommendations of their doctor/specialist or other appropriate persons including but not limited to therapists, school teachers and medical professionals;

- 4.3.9 request that an Applicant signs a medical and/or welfare agreement and/or pay a bond upfront and prior to Summer Camp as agreed upon by FZY, should a care plan be needed for additional care of pre-existing medical conditions. Refusal to sign such an agreement or to disclose the requested information may lead to rejection of the Applicant or removal from the Programme;
- 4.3.10 take into account information that has previously been made available or become apparent in prior events run by FZY when considering an Applicant's place on Summer Camp.

4.4 The Participant will be required to hand in all prescribed and non-prescribed medication to the Madrichim on arrival at the Summer Camp, which will be held by them for the entirety of Summer Camp. It is the responsibility of the Participant to remind and request that the Madrichim administer their prescribed medication, at the time and dosage designated on the

Health Form. This excludes EpiPens/Inhalers/Insulin which the Participant must hold one set of; however, at least one spare set must be brought and handed into the Madrichim. Should medication (including EpiPens) be used, damaged or lost and this medication will need to be immediately replaced at the Participant's expense.

- 4.5 In all instances, any medication stated on the Health Form (or disclosed via Additional Medical Information Correspondence) will be administered, subject to being reminded by the Participant, as per the dosage information noted on the packet and for a period of time not exceeding the amount stated, without visiting a qualified doctor. The non-prescribed medication will only be given when deemed essential by a Madrich/a, and furthermore will not be administered for regular use. Non-prescribed medication will be used for a period of time not exceeding 48 hours. The usage of any medication will be recorded by the Madrichim. If a Participant's medication runs out, additional medication will be purchased by the Madrichim, at the expense of the Participant. The Participant will be responsible for refunding to the Madrichim the cost of the purchased medication.
- 4.6 Only the non-prescribed medication listed on the Health Form (or disclosed via Additional Medical Information Correspondence) can be brought on Summer Camp and will be handed in to the Madrichim. If a Participant brings any medication which has not been declared on any Application Forms or Additional Medical Information Correspondence, it will be disposed of. If the Participant is found in possession of medication and/or is distributing it to other members of the group it will be classed as a serious breach of discipline and at the sole discretion of FZY they will be dismissed from the Programme.
- 4.7 The Participant acknowledges that the Participant is responsible for informing medical professionals of any pre-existing medical conditions or allergies.
- 4.8 By submitting the Application Documents, the Applicant hereby consents to being given non-prescribed/prescribed medication that has been declared on the Application Documents, when deemed necessary for immediate medical need or in accordance with the instructions (in English) provided by the Applicant. It is understood that non-prescribed medication will be administered as per the dosage information noted on the packet and the prescribed medication will be administered as per the instructions on the Health Form (or as set out in the Additional Medical Information Correspondence). It is the responsibility of the Participant to remind and request that the Madrichim administer their prescribed medication, at the time and dosage designated on the Health Form (or as set out in the Additional Medical Information Correspondence) as the Madrichim will not be responsible to remind the Participant to take their medication or to voluntarily administer the medication to the Participant. This also applies to any medication prescribed by medical practitioners during Summer Camp. At the time of prescription it is the responsibility of the Participant to ensure that they understand the time and dosage required. The Participant accepts that FZY are not responsible, nor will be held to be so, for any adverse effect, which may result from the Participant taking or not taking their medication.
- 4.9 There will be a first aider with the group throughout the Programme, however there may be times they will be unable to administer medication to the Participants. The Participant understands that the Madrichim may not have medical knowledge, background or training, nor do they have any independent knowledge regarding any medication including, without limitation, effects, contra-indications, recommended dosage, proper care and storage requirements and they rely solely on the information that has been provided by the Participant in the Health Form or in the Additional Medical Correspondence without attempting to validate or authenticate such information. For the avoidance of doubt, it is the Participant's responsibility to ensure they are

taking the correct dosage of their medication at the time required. In light of this it is understood and accepted that FZY shall not bear any responsibility and will not be liable, under any circumstances, in connection with the administration of the aforementioned medication, and especially for any adverse effect which may result from the Participant taking or not taking the medication. Therefore, any claim the Participant has against FZY in that respect is hereby waived by the Participant. FZY shall be held harmless against any such claim or lawsuit, should any such claim or lawsuit be brought against FZY by the Participant.

4.10 The Participant can visit a medical professional or seek medical treatment without consulting a Parent/Guardian in line with Gillick Competency (the assessment of whether a child under 16 years of age is able to consent to their own medical treatment, without the need for parental permission or knowledge). The Parent/Guardian understands that notification of any medical consultations or treatment the Participant is given will be passed on to the Parent/Guardian unless the Participant does not give their consent for this to happen (in line with Gillick Competency). However, if a medical professional, or a representative of FZY deems it necessary to inform the Parent/Guardian against the wishes of the Participant, they may have discretion to do so if they feel that the Participant is not making a sound decision. If the Participant gives permission to FZY to contact his/her Parent/Guardian or if the medical professional deems it necessary, FZY will attempt to contact the Parent/Guardian of the Participant to obtain consent on the medical course of action. If FZY are unable to contact the Parent/Guardian in a reasonable timeframe (which will be determined by the advice of a medical professional), the Participant may consent to any x-ray examination, anaesthetic, dental or surgical diagnosis or treatment to be rendered to the Participant as advised by or under the supervision of any medical professional in any country. The Parent/Guardian understands that this authorisation is given in advance of any x-ray examination, anaesthetic, medical or surgical diagnosis or treatment, injections and hospital care being required and is given to provide authority and power on the part of FZY to give specific consent to any such examination, anaesthetic, diagnosis, treatment, injections or hospital care as referred to above. For the avoidance of doubt, any lifesaving or medically urgent treatment deemed necessary by a medical professional will be conducted at the immediate discretion of the medical professional.

4.11 The Participant will be fully responsible for any costs of medical care (of any kind) or dental care incurred on behalf of the Participant under the authorisation of FZY if it is not covered by the NHS.

4.12 The Participant understands that any issues relating to mental health (including self harm) may not be covered by the NHS and the Participant or the Parent/Guardian will be responsible for all related charges including, but not limited to, medical bills, treatment costs, travel costs in the UK and transportation back to their home.

5. Participation, Discipline and Damages

5.1 By submitting the Application Documents the Applicant acknowledges that they have read, understood and agreed to be bound by the guidelines and expectations of conduct as detailed in these terms and conditions, the Booklet and the Code of Conduct.

5.2 The Code of Conduct is also used to assess an Applicant's suitability to join Summer Camp. It is therefore imperative that the Applicant has read through this document themselves. Failure to agree and return a duly signed Code of Conduct to FZY will preclude an Applicant from joining Summer Camp and be considered a cancellation. Any refunds will be subject to the Cancellation Policy.

5.3 Participants may be dismissed from the Programme for infringement of the rules and expectations outlined in the Code of Conduct as well as for deliberately or recklessly:

- 5.3.1 providing incorrect or false information in any part of his/her Application Documents or through any additional correspondence with FZY;
- 5.3.2 repeated failure to participate in the requirements of the Programme;
- 5.3.3 failure to disclose Medical Information or the disclosure of inaccurate or misleading Medical Information in any part of the Application Documents or through any additional correspondence with FZY; and
- 5.3.4 failure to comply with any reasonable rules or regulations imposed by FZY or the Organisers and their agents or representatives during the course of the Programme.

5.4 Participants may be dismissed from the Programme should they fail to participate in all aspects of the Programme. If a Participant absconds from the Programme at any time or otherwise refuses to cooperate, they will immediately not be the responsibility of FZY and their future on the Programme will be reviewed in line with the Code of Conduct.

5.5 Participants dismissed from the Programme and/or such Participants' Parents/Guardians will be responsible for all costs, claims and expenses incurred by the Organisers including accommodation, travel and the cost of Participant's return home, cost of the travel for someone to accompany them should it be required by FZY and any cancellation charges or other third-party expenses howsoever incurred. FZY reserves the right to determine the date and time of such return save that it shall use all reasonable endeavours to arrange the Participant's return as soon as is reasonably practicable. Participants dismissed from Summer Camp will return at the earliest opportunity and they will not be the responsibility of FZY once they have left the site of the Programme. For the avoidance of doubt, they are the Parent/Guardian's responsibility from that point onwards. Parents/Guardians are required to ensure that they or their nominee is available to take responsibility for the Participant at any time during the duration of the Programme. If a Participant absconds from the sending home procedure they will be treated as if they are no longer on the Programme and therefore will not be the responsibility of FZY nor will they be covered by any insurance policies held by FZY and the Organisers.

5.6 For the avoidance of doubt, in the event that a Participant is dismissed from the Programme, no compensation or refund will be payable to the Participant . Furthermore, if a bursary has been received towards the cost of the programme, FZY, the Organisers and the Friends of FZY reserve the right to claim back the amount awarded.

5.7 Any extraordinary expense incurred on behalf of the Participant will be invoiced to the Participant.

5.8 By agreeing to these Terms and Conditions the Applicant and the Parent/Guardian agree to FZY contacting the Applicant's school, synagogue, other educational institutions or youth organisations for a reference, if required.

6. Cancellation Policy

6.1 If an Applicant wishes to cancel their place on the Programme, the Applicant must contact FZY in writing.

6.2 An Applicant who cancels a place prior to the 27th February 2023 will be entitled to a refund less the Administration Fee. If FZY informs an Applicant that their Application has been unsuccessful or that their place has been withdrawn prior to the 27th February 2023, the Applicant will be entitled to a full refund less the Administration Fee. Full details of deposit and balance payment deadlines can be found in the Booklet.

6.3 Any Applicant who cancels after the 27th February 2023, or if their place has been withdrawn for breaches of the Code of Conduct after the 27th February 2023, will be entitled to a refund on the basis set out in clauses 6.3.1 to 6.3.4 below or liable for an outstanding balance if amounts remain due and owing to FZY.

6.3.1 61 days or longer prior to departure date: 100% of amount paid (or payable) less deposit and the Administration Fee;

6.3.2 From 31-60 days prior to departure date: 50% of amount paid (or payable) less deposit and the Administration Fee;

6.3.3 From 15-30 days prior to departure date: 20% of amount paid (or payable) less deposit and the Administration Fee;

6.3.4 From 1-14 days prior to departure date: 0% of amount paid (or payable).

For the avoidance of doubt, if any monies are still outstanding at the time of cancellation, the Participant will be liable for these costs subject to the terms of the Cancellation Policy.

If an Applicant cancels their application or place on Summer Camp, a re-application will only be accepted by FZY at its sole discretion.

6.4 If an application is rejected by FZY for reasons relating to medical, welfare, operational and/or suitability for the programme then the Applicant will be entitled to a full refund less the Administration Fee.

6.5 However, for the avoidance of doubt if a Participant and/or the Parent/Guardian cancels the Participant's place on Summer Camp for medical and/or welfare reasons that are covered by the NHS, the Cancellation Policy will apply and it is the responsibility of the Parent/Guardian to file an insurance claim through their own insurance policy.

6.6 If the Applicant fails to complete the Application Form or fails to provide subsequent information requested of the Applicant by FZY and/or fails to pay the balance as required, FZY reserves the right to cancel the application for Summer Camp and it will be considered that the Applicant has cancelled the application for Summer Camp and the Applicant will be liable under the terms of the Cancellation Policy.

6.7 If a cancellation is due to the illness or death of the Participant or an immediate family relative of the Participant or is due to other exceptional circumstances as determined by FZY and provided that the Participant provides FZY with a valid medical or death certificate or independent verification of the exceptional circumstance (if requested) then FZY shall refund the monies paid less the Administration Fee and any third party cancellation costs or charges incurred by FZY and the Organisers as at the date of the cancellation.

6.8 If the Participant fails to check in for their outbound travel and has failed to contact FZY to explain why circumstances have delayed the Participant and to obtain approval for a change of arrival date, then FZY retains the right to cancel any other arrangements booked with FZY. No refund will be made for any unused arrangements in these circumstances.

7.4.1 placing the Applicant in suitable accommodation;

7.4.2 anonymised statistical research; and

7.4.3 any other social or welfare issues that FZY and/or the Organisers deem to be reasonable.

7.5 FZY's liability to the Participant:

7.5.1 If any International Convention applies to or governs any of the services or facilities included in the Programme arranged or provided by FZY, or provided by any of FZY's suppliers, and you make a claim against FZY of any nature arising out of death, injury, loss or damage suffered during or as a result of the provision of those services or facilities, FZY's liability to pay you compensation and/or the amount (if any) of compensation payable to you by FZY will be limited in accordance with and/or in an identical manner to that provided for by the International Convention concerned (in each case including in respect of the conditions of liability, the time

for bringing any claim and the type and amount of any damages that can be awarded). For the avoidance of doubt, this means that FZY is to be regarded as having all benefit of any limitations of compensation contained in any of these Conventions or any other International Conventions applicable to your Programme. Any applicable protocols or amendments shall apply to all such International Conventions.

7.5.2 The Participant is obliged to assist FZY in recovering from any third party any sum which may compensate for any sums FZY pays the Participant. The Participant is obliged to assign to FZY any rights the Participant may have against any person whose acts or omissions caused or contributed to FZY's legal liability to pay the Participant compensation. The Participant must provide FZY with all assistance FZY may reasonably require. The Participant must follow the procedures for the notification of complaints set out in these terms and conditions.

7.5.3 Other than as set out above, and as detailed elsewhere in the Booklet, FZY has no legal liability whatsoever to the Participant for any loss, damage, personal injury or death suffered by the Participant arising directly or indirectly from any aspect of the Participant's Summer Camp.

7.5.4 The Applicant/Participant acknowledges that the FZY as the Tour Operator is a non-profit, educational organisation and therefore limitation of liability must reflect this status. In no circumstances will the liability of the FZY as the Tour Operator (excluding liability for personal injury, illness or death) exceed the cost of the Programme.

7.6 FZY does not accept any liability for any alteration or cancellation owing to any event beyond its control and compensation or refunds are not available in such an event. Examples of such events include but are not limited to actual or expected terrorist activity, riots, civil strike, government action or restraint, industrial dispute, natural disasters, pandemic, epidemic, volcanic smoke emissions, fire, the unexpected incapacity of the Programme guide or leader, storms, floods, perils of the seas, damages or accidents from machinery or engines, closure of air or sea ports, airline decisions on flight arrangements, technical or maintenance transport problems, or traffic delays.

7.7 If any provision of this contract is found by any court, tribunal or administrative body of competent jurisdiction to be wholly or partly illegal, invalid, void, voidable, unenforceable or unreasonable, then such illegality, invalidity, voidness, voidability, unenforceability or unreasonableness shall not affect the remaining provisions of this contract which shall continue in full force and effect.

7.8 Any failure or delay by FZY in enforcing or partially enforcing any provision of this contract shall not be construed as a waiver of any of its rights under this contract.

7.9 These terms and conditions may only be varied in writing between the parties when there is full agreement between the parties as to the variations.

7.10 These terms and conditions do not affect the statutory rights of an Applicant.

7.11 If a Participant or Parent/Guardian (if Participant is under 18) has a complaint regarding any aspect of the Programme then the Participant should, in the first instance, report the complaint in writing promptly to the FZY representative accompanying them as soon as is practicable.

7.12 If the complaint is not resolved to the satisfaction of the Applicant then the Applicant should notify FZY's Programme Enrolment Manager (ruth@fzy.org.uk) in writing setting out all unresolved issues.

8.1 The Participant must comply with any Covid and travel regulations set by the UK government. These terms are based on current guidance, but we reserve the right to refuse a participant to join the Summer Camp if they do not comply with the guidance as set out 14 days before the first day of the Programme.

8.2 The Participant may be required to carry out a Lateral Flow Test the night before the first day of the Programme, at the discretion of FZY. Any Participant who tests positive will not be able to attend Summer Camp. In such an event the Covid Cancellation Policy as set out below will apply.

8.3 If a Participant tests positive for Covid in advance of Summer Camp, or is required to complete a period of isolation on the date of departure, the Participant will not be able to depart for Summer Camp with the group. At the sole discretion of FZY, a Participant may be able to join Summer Camp at a later date and should FZY be able to re-schedule travel arrangements and arrange for relevant supervision of the Participant. The Participant agrees that the Participant will be responsible for any surcharges in respect of the change of the outbound travel arrangements and the cost of any supervision of the Participant.

8.4 If United Kingdom government policy requires that people who become confirmed COVID-19 cases during their stay should enter a period of isolation, FZY and/or the Organisers will procure that there will be a minimum of two Madrichim on call for the Participant 24 hours a day 7 days a week and that there will be access to medical professionals. If the group is changing accommodation, the Participant will not be able to accompany them to the next accommodation until the period of isolation has expired in accordance with the regulations as set out in the United Kingdom at that time. The additional costs for the isolation and subsequent transport will be the responsibility of the Participant but may be reimbursable via insurance. Please read the insurance policy you have taken out to check the policies in place.

8.5 FZY may require written agreement that Parents/Guardians will accompany the Participant for required isolation if FZY deem it necessary on welfare grounds (physical or mental). FZY reserve the right to refuse the Applicant's application if this is not provided.

8.6 Participants may be required to take lateral flow tests at regular intervals throughout Summer Camp. The cost of the lateral flow tests will not be included within the Programme Cost. Should a Participant test positive on a lateral flow test whilst on Summer Camp the Participant will be required to follow the isolation guidance as set out by the government of the United Kingdom at the time of the positive test. FZY will arrange for a PCR test if possible and practical. Should the PCR test result be negative the Participant will re-join the Participant's group. Should the PCR test be positive or no PCR test is possible to obtain, the provisions of clause 8.4 will apply. The cost of the PCR test will be borne by the Participant.

8.7 The current regulations and guidance in respect of entry requirements into the United Kingdom as a result of Covid can be viewed at <https://www.gov.uk/guidance/travel-to-england-from-another-country-during-coronavirus-covid-19>. The Participants will be responsible for ensuring that they comply with the entry requirements if they are non-UK citizens and/or are leaving the United Kingdom prior to the commencement of Summer Camp. Any failure to comply with the regulations will be at the sole risk of the Participants and FZY will not be liable for any costs and repercussions arising from the failure of a Participant to comply with the Covid entry requirements into the United Kingdom.

Covid Cancellation Policy:

8.8 If Summer Camp is cancelled due to changed travel regulations in the UK, including vaccination requirements, then we will work to achieve as high a refund as possible based on our contracts and the cost of the administration of Summer Camp incurred by FZY. We will only provide a refund for the maximum amount we can recoup less the Covid Cancellation Administration Fee.

8.9 If a Participant (or a close family member in same house) contracts Covid or is suffering from long Covid and this causes cancellation before Summer Camp, then cancellation may be covered under certain conditions within your personal insurance policy that we advise you to take out.

8.10 If a single Participant contracts Covid on Summer Camp, then all medical costs should be covered under the NHS. Accommodation Costs may not be covered and will be the responsibility of the Participant, although FZY will make payment for accommodation costs at the time should the Participant not have access to the funds to pay. It is the responsibility of the Participant to arrange any additional insurance cover in respect of Covid and any other matter not covered as outlined in these terms and conditions.

8.11 If Covid causes a Participant to be in isolation beyond the last day of the programme, FZY will continue to procure that supervision and care is provided at the managed isolation facility until the Parent/Guardian of the Participant arrives to supervise and care for the Participant. It is expected that the Parent/Guardian will arrive within 12 hours of being notified by FZY.

8.12 Travel and cancellation insurance is not included. You are entitled to take out your own insurance and to check that sufficient Covid coverage is included.
